Daniel 2:21

He changes the times and the seasons. He removes kings and sets up kings. He gives wisdom to the wise, and knowledge to those who have understanding.

**Do you
believe in
miracles?**

What if someone told you something amazing was going to happen, and it happened just like they said? Wouldn't that be a miracle?

A long, long time ago, a man named Daniel lived and described amazing things that were going to happen in the future.

These amazing things came from the dream of a king with a long and funny name:

Nebuchadnezzar.

The dream was about a large statue made of Gold, Silver, Bronze, and Iron. Open this up to see a statue similar to the dream.

DANIEL

NEBUCHADNEZZAR'S DREAM

Daniel wrote about 4 different kingdoms. One was ruling, and each of the next kingdoms was going to beat the others.

During the 4th kingdom, Daniel wrote that the kingdom of God (pictured as a rock) would arrive. It would start small and begin to spread across the entire world.

Daniel also wrote about the King of God's kingdom. He wrote about the time when the King of God's kingdom would be killed.

Daniel wrote about how this King, who would be killed, had the power to forgive everything you have ever done wrong. This King would lead a different kingdom. Instead of fighting people, this kingdom is for saving people.

The King's name that Daniel wrote about is Jesus, the Christ (from the word Christmas). Jesus arrived just when Daniel said He would and announced the Kingdom of God.

Jesus talked about His kingdom for only 3 ½ years in a very small area of the world, called Israel. There were no phones, computers, or TVs back then, yet people all over the world now call Jesus their King! Even though Jesus was killed, He rose from the dead and is alive forever (which is why we celebrate Easter)!

When Jesus rose from the dead, many millions were worshipping the fake gods of their time. Now, there are only a few thousand who still think those fake gods are real. The 120 people who followed Jesus at the time of His resurrection have grown to include over a billion people all over the world. Isn't that a miracle?

If that is not enough for you to believe, think of this: Imagine the meanest person you've ever seen. Imagine that suddenly they became the nicest person. That's what happened to a man named Saul who became known as Paul. He first wanted all people who followed Jesus to be in jail or to die. Then, suddenly, after seeing Jesus alive, he started telling everyone that Jesus is alive and is King of the world. He told them that Jesus created everything they could see, even them! He told them that Jesus loves them more than anyone else.

Then people began to hurt Paul badly again and again, but he still kept telling everyone that Jesus loved them and would forgive them for all the bad things they had done.

What should you do if King Jesus loves you, made you, and calls you to follow Him?

When Jesus made the world, He wanted people to live in peace. But since the beginning, people have disobeyed Him. You probably know it's wrong to hurt others, lie, and steal. Did you know that thinking bad thoughts about others is also bad? Being sorry about that isn't enough. Jesus died for everything you've done wrong. You need to ask for His forgiveness, and you need to forgive everyone who has done bad things to you. When you follow Jesus as King, He forgives you, and you become part of His big family.

If you don't believe in or follow Jesus, you will be on the path toward destruction. If you believe and follow Jesus as King and Savior, then you will receive His love and forgiveness. What will you do?

You received this because Jesus and His family care about you. Will you ask Jesus to forgive everything you have ever done wrong and choose to obey Him? Will you become part of His big family? The family of God would love to talk to you to help you understand this more. This is such an important decision, and we'd love for you to be part of our family.

And surely I am with you always, to the very end of the age."
